

CARLOS MARÍN

DEVELOPER

ABOUT ME

Originally from the Punto Fijo City, currently living in Peru. From a very young age, I have been very clear about what I have wanted: art, music and technology. I am a music teacher with a degree, but today I am dedicated to programming.

Studies and Experiences

Currently I have just over a year studying programming, dedicating my time to learn HTML, CSS, JS, REACT JS, NODE JS, MONGO JS and other tools to perform as front-end developer. The goal is to use and master the MERN stack.

A series of courses conducted online are listed below:
